TE WHANAU AWA WASTEWISE TRIPS

It was hard hats and Hi Vis for our Room 3, 4 and 5 children at the Waitakere Refuse Centre.

The children learnt all about the 5 R's through hands on experiences in a fun, hands on way.

A huge thank you to all of our families who came to support the trip.

AWA TAHI LEARNING UPDATE

Awa Tahi have been learning how to keep themselves healthy.

Last week they performed a magnificent show to our Glenavon Kindy students. They taught them how to brush their teeth, eat healthy and exercise. What a show.

Glenavon School has also been hosting lots of our local Early Childhood Centres for visits including Liberty and Top Kids Avondale.

What's happening in the Glen...

SNAPS FROM GLENAVON'S GOT TALENT

FIRE BRIGADE VISITS GLENAVON

Avondale fire fighters visited our junior students a few weeks ago as part of their contributing studies.

The students got to sit in the fire engine and learnt all about being Firewise.

Thank you to Steve and his team for taking the time out of their busy day to come and visit our wonderful children.

INTERMEDIATES CONTINUE THEIR LEADERS CHALLENGE

Our Year 7 and 8 students have continued to take part in a number of exciting leadership challenges. About a month ago they trekked Arataki as part of their bush challenge.

A group also attended the Tough Guy and Girl Challenge last week and the children had a brilliant day!

We always love hearing about the adventures they have!
