SAMOAN LANGUAGE WEEK

During week 5 we celebrated Samoan language week and once again we did it in style. The children experienced a number of exciting activities throughout the week including making Samoan style raw fish and lunch time Lei making.

Our Year 7 and 8 students displayed outstanding leadership as they planned and delivered Samoan reading lessons with the middle and junior classes.

A special thanks to Ms Latoa, Ms Timoteo and our wonderful student leaders who ran our wonderful lunch time workshops.

READING TOGETHER PARENTS EVENING

Last week some of our Rm 3, 4 and 5 parents attended a reading together session with their children and their classroom teachers. The night was a huge success. The workshops were designed to share with parents what happens during school reading lessons and give practical strategies to use at home. Thanks for all of the awesome feedback!
